

Krystal Allied Services

NEWSLETTER 005

It is time for Silver Bells and Santa Claus is just round the corner. The wish list is long enough to walk on and meet Santa at the corner!

Santa has authorized **Team KAS** to take care of your wish list, so that; you don't have to choose between healthy food and tasty food. With **Team KAS** you can have both your wishes. **Tasty and Healthy Food** at the same time, as they say, "You can have the cake and eat it too."

On a humorous note, most of us complain that Santa mixed up the wish list last time. We wanted our bank balances to be fat and our waistlines to be slim. For most of us, it happened the other way around.

This year, lets fervently pray and work towards having a slim body and a fat bank balance.

Call **Team KAS** for the gourmet services, both onsite as well as offsite kitchen and our Chef Santa will serve the menu of your choice.
